

Tuesdays - VIP Cooking Class

5.30pm for 6.00pm start

\$120 per person

Cook with Chef Caleb, learn new techniques & dine on your efforts afterwards. We are keeping it fancy as you'll still be able to sip on a glass of sparkling wine while you're having fun learning.

Use a professional open kitchen as Chef Caleb teaches you how to create a delicious three course Italian meal. He shares his tips as you cook with him, & you'll have access to the recipes afterwards enabling some awesome home cooking.

A glass of Caleb's Sparkling (Margaret River, WA) is served on arrival and the bar will be open throughout the class. We pride ourselves by using fresh local produce whenever possible. Some recipes include Chef Caleb's Special spices which are available for purchase after the event.

These classes are highly recommended. Book via website or email. Numbers are limited as we like to keep the class intimate.
